## GENESIS 1-4: GOD'S UNCHANGING EDEN-INTENT (PAPERBACK)

Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. Genesis is the second in an eight-part series, "DiscipleMaking Companion." This series guides each person directly into Scripture, yet is more than a Bible study with its simplicity, flexibility and bias towards doing. This "Companion" series aligns with our design and how the early church trained world-changers. The Bible is God's invitation into fuller life and God provides all we need to understand so truth encounters our lives. The "Companion" series "flips" the usual learning process by focusing on doing Scripture first outside the group. Only doing God's Word reveals true knowledge. First prepare, then respond and reflect before we gather together in our learning community to actively share what God is doing through the Word. It's like bringing your specialty to a group potluck. Each of the eight-part series focuses on one book of the Bible for five weeks, and on one key, foundational building block for our spiritual life, like Word & Spirit, Identity & Authority, Life of Jesus, A Model for Living Life, etc. This "DiscipleMaking Companion" series taps into cutting-edge learning and neurological studies that align with how God wired us so we learn easier. After forty+ years in Scripture, I find myself returning over and over again to keep my inner spiritual compass properly calibrated, yet those who struggle to understand the Bible also experience new breakthrough. Each "Companion" provides a simple, adaptable structure with a measured pace and a variety of learning options. Order one and try it yourself, then invite other spiritually hungry friends onboard. My desire is "to teach you to fish and not merely to give you a fish."
